FEBRUARY 1983

YEAR OF THE BIBLE, WARNING OF DECEPTION, MISC.

But evil men and seducers shall wax worse and worse, deceiving and being deceived, but continue thou in the things which thou has learned and has been assured of, knowing of whom thou hast learned them. (2 Tim. 3:13-14)

THE MOST AMAZING NEW LAW IN 70 YEARS

is Public Law 97-280 passed by the U.S. Congress in October of 1982 which declared, among other things, that the Bible is "the Word of God."

That statement is in their resolution asking the President to declare 1983 as "The Year of the Bible."

This new Law is so startling in its implications that we have enclosed it in this mailing and we will be giving each Congressional office a copy of our reprinting when we visit there in April of this year.

Read it over and let me hear your comments on it. I may sound a little overenthusiastic, but I think you will see the Hand of God in such a resolution being passed by our "mediocre" Congress.

On the back of it I have added my comments and how you can obtain copies for distribution. It should be distributed to Christian Churches in every community in America.

"MASSIVE STORES OF SOVIET ARMS FOUND BURIED IN LEBANON." Stories like this are being spread by pro-Jewish "Evangelists" and by some supposedly Patriotic newsletter writers.

I think the whole thing is a hoax! I think it is part of a massive propaganda ploy to fool Christian Patriots into believing "the Jews saved us from World War III" and to reinforce the lie that "the Soviets are the enemies of the Jews," and "Russia is going to invade Palestine."

They tell of 1,700 truckloads of weapons and munitions hauled back to Israeli, of scores of "Soviet tanks hidden in underground bunkers." One story told of a "2 1/2 mile long concrete-lined tunnel full of Soviet arms" captured by the Jews. Do you realize what a massive construction project that would be just to dig it (4,400 yards long!), to say nothing of encasing it in concrete? That would take large numbers of modern construction equipment yet it supposedly was done so quietly and secretly that the Lebanese and the Palestinians who lived there didn't even know it was being dug! Did the workmen carry out the dirt in their lunch buckets to hide it from the populace? Shades of Hogan's Heroes!

Gary North is spreading these "tales" with his source a "Vyndal Jones" who claims to have been there. Daily News Digest and Hedging Update are two more "financial newsletters" who are repeating the fantastic stories along with a number of "evangelists."

"Vyndal Jones" also claims the Jews have "superweapons" by which they destroyed "80 Syrian tanks in one minute," apparently by causing their own missiles to explode. He claims it is "Jewish superiority." However, it is more probable the Soviet Jews, who built the Syrian missiles, gave the Israeli Jews the radio transmission code of the Syrian missiles so they could blow them up! Christian Patriots must remember that it is the Arab nations which the Soviets want to capture, not Israeli which is already under the control of Russian Jews.

The Soviet Jews and the Israeli Jews are cooperating to bring down the Arab world and shut off their oil to western Europe, Japan and the U.S.A. Stories of "plans by the Soviets to destroy Israeli" are propaganda stories to keep Patriotic Americans from realizing the truth of that Russian-Jewish cooperation. Phony stories of "30,000 tanks in Iran," and "tons of weapons hidden in Lebanon to be used to destroy Israeli" are just that, phony stories. Use your common sense. Remember that Communists plan to destroy Christianity, not Judaism. If the Jews did capture any hidden Soviet munitions in Lebanon, you can be sure they were put there for the Jews to capture!

Don't put your trust in those who tell fairy tales about the phony plans of the Soviets to destroy the Jews. Such plans don't exist.

CAN FINANCIAL ADVISORS BE TRUSTED?

Howard Ruff got the confidence of many Patriots. He was on network (establishment) TV and Time published his books.

Not only did he tell followers to sell their gold in 1979, just before it jumped from \$400 to \$800, he then told them to "buy bonds." Interest rates shot up after they bought, sending their low yield bonds plummeting! Over the years, some claim Ruff's advice was wrong 80% of the time. Deliberate?

Jim Dines advised his readers to sell gold in 1982 when it was \$300. It may never be that low again. Those who took his advice may have lost millions. Deliberate?

Many, including Ruff, touted Patriots to "invest in diamonds." Wholesale prices have gone to half in 3 years. Deliberate?

Of the 400 or so newsletter writers, hardly a one ever exposes usury as the crime of the Bankers, instead they rail at "paper money" and warn us bankers may "go bankrupt" and wouldn't that be terrible. They build up a subconscious sympathy in their readers for the Bankers! Most repeat the lie that "Israeli is our only friend in the mid-east."

By their fruits ye shall know them. Don't believe their stories of vast Soviet arms in Lebanon either!

NOW ON TO MORE MUNDANE THINGS. I always have more information than I can get in my newsletters. Therefore, this time I am going to write briefly on many subjects in order to "catch up."

IDENTITY MINISTRIES MAY BE RESTRICTED on literature distribution in the future (even with Public Law 97-280). You should prepare now to take over in your own local area by the following:

1. Have a permanent library of books which you can lend (not give) to friends and neighbors.
2. Have a permanent file of clear copies of tracts or sheets which you can reprint locally.
3. Have a permanent cassette tape library. I am NOT talking about your current supply of materials. These should be separate and kept where they will be protected. Judging by the "nature" of the enemy, we will probably see more physical oppression of Christians than is now happening, probably raiding homes and churches for "seditious literature." This happened in the 1600's and 1700's in England and Europe and takes place in all communist countries.

FOR AN INTERESTED AUDIENCE. Now, how about distributing BILLIONS FOR THE BANKERS and our money cartoons at farm auctions? Some of you city folks need a country outing once in a while. Get a newspaper from a small town within 100 miles or so, read the auction section, and go.

MAKE USE OF "VISUALS." You can rent our movie, "HEIRS OF THE PROMISE" or obtain it from those on the list we sent you in December.

Also, we have Ray Capt's slide-lecture on "THE MIGRATIONS OF ISRAEL" available on cassette and 35mm slides. The set is \$30, all you need is a cassette player and a slide projector. Many who see the lecture in homes then believe the truth that we are Israel. Order a set for yourself or your local group today. Put yourself to work!

A NEW BOOK "BRAINWASHING". We have reprinted the Russian textbook on "psychopolitics" that was put out by Kenneth Goff 30 years ago. It is startling reading to see how long ago they trained U.S.

citizens in the art of controlling their fellow-citizen's minds to make normally sane people betray their country and aid communism. Every Identity Christian should read it. It is #565 on our literature list, one copy for a \$3 offering.

OUR CASSETTE TAPE CATALOG. We have not mailed our tape catalog to the whole mail list for some time. If you do NOT have a copy, write and ask for it.

KINGDOM SONG BOOK. We have printed our own song book, made up of old favorites with scriptural words that are not copyrighted. We use it in church and at our Camps. Send a \$2 offering for one, or \$1 each in quantity.

PEOPLE ASK US ABOUT SCHOOLS. We have studied the public versus Christian school situation and arrived at the conclusion parents should teach their children at home. That is the Scriptural command, "teach thy sons and thy sons' sons." No place in the Bible for government schools.

God willing, in a future newsletter we will give you information on how, source of materials, textbooks, instructions to the parent-teacher, etc. It is not as complicated as you think. (This also solves the vaccination problem.)

MORE LEARNING. Bill Strittmatter, Bible Law Course, Box 481, Lakemore, OH 44250. Write him for a free lesson. We have heard only praises of it for children and family, no criticisms.

AND MORE LEARNING. Any Christian who may need legal "advice" should take the Law Course by George Kindred, 9600 Cedar Lake Rd., Pinckney, MI 48169. It will prepare you to claim your rights in any court, local or Federal and is money well spent. Write him for information. He knows Identity.

AND MORE. Col. Jack Mohr, whom some of you know, has published a new, 36-page book titled, "SATAN'S KIDS." It is \$1.50 per copy from him at 113 Ballentine St., Bay St. Louis, MS 39520. Ask him about his other tracts, books and tapes. He is quite "outspoken."

PREACHERS "MISEDUCATE". You see what Jewry Falwell is doing, propagandizing the Christians for the Edomite Jews. Other organizations are springing up. You might want to write to some and ask for "a sample of your literature."

One is "United States Christian Embassy, Israel," P.O. Box 1000, Montreat, NC 28757.

They warn Christians that since Christians have always killed and persecuted Jews, the Christians now need to "atone" for past sins by doing everything they can for the Jews. They advocate that Christians should buy Israeli-made products, patronize Jewish stores, write government and newspapers to support "Israel," get films and cassettes from them, tour "Israel," donate blood while there (?), and volunteer a year's

work in "Israel." Ask for a copy of their pamphlet, "How Christians can help Israel."

Another is a tabloid newspaper, Jerusalem Courier, by David A. Lewis Ministries, Inc., 304 E. Manchester, Springfield, MO 65807. His Vol. 2, No. 3 had a headline, "ISRAEL LIBERATES LEBANON!" Another issue "proved" the Jews were "all of the tribes of Israel." He tells his readers the Christians were responsible for killing "6 millions Jews" in Germany. He also claims "vast stores" of Soviet arms were found in Lebanon! His Jewish bias almost proves such stories must be a Jewish hoax!

IN 1976 700 CLUB PAT ROBERTSON said his "greatest thrill" was having Israeli Prime Minister Yitzhak Rabin as his guest Christmas Day, 1974.

THE HERITAGE LIBRARY NEEDS VOLUNTEERS. The Christian Israel Library in Velma, Oklahoma was dedicated in November.

They now need volunteers to help with the books. If you can go there and stay for a few days or a week or so, they have living quarters for you. Call 405-252-5439, talk to Mrs. Ritchey. She has 10,000 volumes to catalog, make up cross-referenced card files, and place on the shelves.

CONFERENCES & SPEAKING DATES. I will speak in Regina, Saskatchewan (Canada), Feb. 25 & 26 at a Bible and money conference.

Then on March 18-20 both Ray Capt and I will speak at the LaPorte Church of Christ in LaPorte, Colorado. Pastor Peters there learned our Identity only 2 years ago and is preaching it.

In April, eight of us will call on Congress for 2 weeks. Because of that trip I will not be able to attend Pastor Record's Conference in San Diego on April 15-17. Write him at Box 27788, Escondido, CA for conference information.

Next is our Summer Bible Retreat in New Mexico, July 2-8, 1983. Information on that is enclosed on a separate sheet.

IF YOU MOVE, SEND US YOUR NEW ADDRESS.

After every mailing we get back scores of envelopes marked "addressee moved." Our monthly newsletter goes out 4th class and is not forwarded. Most of those returned to us are taken off our list. If you do not want this to happen to you, write us immediately with any change of address.

YOU CAN SEND NOTES with tapes being returned. New mail regulations allow letters or personal notes to be sent in 3rd and 4th class mail. If a tape is bad, send a note with the tape. However, do not send "urgent" notes on other subjects or cash in the tapes as they sometimes sit a week or more before we open and "check in" several thousand at a time.

TRYING TO REACH YOUNG PEOPLE? Join our tape ministry. At the end of 1982 we had 1,440 families on our weekly tape list. We don't connect that with

prophecy, but wouldn't it be something if 144,000 families heard Identity sermons with their family each week? I believe more young people are coming into Identity from hearing tapes at their home or the home of relatives. Thank God for the printing press, but the "hearing of the Word" works very powerfully on the human mind. If you cannot attend an Identity church, you should at least receive our weekly tapes. Your children will be blessed!

If you are not now receiving our weekly tapes, here are some Bible studies you missed: The Valley of Jehoshaphat (2 sermons), The Jesus of Luke (the Jesus of the Churches is NOT the Jesus of the Bible!), End-Time Zion in Isa. 29 & 30 (3 sermons), The Valley of Achor (6 sermons on Red Esau, gold and deception - current). (Do not write for these now).

WE SEND TAPES TO CANADA, Australia, South America and Europe. A young couple from Austria who listen to our tapes stopped to see us in January. We enjoyed their visit and it was encouraging to learn they are working to spread the Kingdom and Identity Truth in Austria.

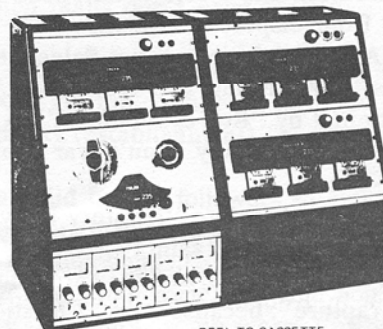

1983 MUST BE ALASKA YEAR. Since January 1st we have had 2 men from Fairbanks, a family from Anchorage and a couple moving from Anchorage to Colorado who stopped "on their way." The men from Fairbanks had worked on the North Slope and both said they had listened to "over 150" of my tapes!

ALASKA OIL FIELDS "CAPPED." Those men from Alaska said the oil companies found "more oil than in all of Arabia" in Alaska and the wells have been "capped off," order of the U.S. government!

This verifies Rev. Lindsey Williams' story in his book, "The Non-Energy Crisis."

Rev. Williams is speaking on Alaska oil in Arizona several times in February and, God willing, will attend our church with his wife on Feb. 20th when Col. Mohr will speak. Rev. Williams does not believe our "Identity," but he did say many who attend his meetings are telling him, "We are Israel." He is a very dedicated American, albeit still learning, as we all are.

USED TELEX 235 CS-1 FOR SALE (see picture). It makes nine C-90 cassettes from a reel master in 11 minutes. A new Telex (which runs twice as fast) costs \$5,600. Any offers over \$1,000?
