## CONGRESS - EXALT GOD'S WORD - EXPOSE BABYLON

*Flee out of the midst of Babylon and deliver every man his soul: be not cut off in her iniquity, for this is the time of the Lord's vengeance; he will render unto her a recompense. [Jer. 51:6]*

**1983 TRIP TO CONGRESS.** Eight of us will go to Washington, D.C. in April to spend two weeks calling on U.S. Representatives and Senators.

We will take to them an expanded index of Bible Law, our 12 page pamphlet on God's Law on Money and we will give them a reprint of a sermon on "America in Bible Prophecy" preached before a joint session of the Houses of Congress in 1857.

In that sermon 125 years ago a Rev. Pitts revealed to the Congress that the United States was the 5th Kingdom of Daniel and that the last great battle to be fought upon the earth would take place when a group of nations under Russia attacked the United States. **He said that America was "restored Israel."** It is startling reading, as you can imagine. Later we will add that reprinted sermon to our literature list.

Our mission to Congress has three main messages. 1. We are the Israel People and the United States therefore is a nation of regathered Israel. 2. Since we are Israelites, our leaders are bound by God's commands to institute God's Laws as the Laws of the nation. 3. Because we have not done this in the past, we, as a nation, are under the judgments of God.

We will also give them our copy of their own resolution, Public Law 97-280, which declared 1983 to be "The Year of the Bible" and in which the Congress itself admitted our "national need to study and apply the teachings of the Holy Scripture." We can use their own words to inform them they should "study and apply the teachings of the Holy Scripture."

Their own resolution has given us a mighty tool to use in the Congressional offices in 1983.

### **WILL YOU WRITE YOUR CONGRESSMAN?**

Write him a short letter asking him to grant us an interview sometime from April 19th through April 28th. Send me a copy of your letter now and his reply later. **I will take your letter with me to show in his office.** Letters from their constituents will often get us an appointment where we otherwise might not have gotten it. Pray for us, and for them, as we go on this vital mission.

**PASTOR ROBERT RECORD'S IDENTITY CONFERENCE** will be at The Sea Point Hotel, 4875 N. Harbor Dr., San Diego, Ca 92106 starting Friday evening, April 15th at 7:30 p.m. There will be 3 sessions on Saturday and 2 on Sunday, ending around 4:00 p.m. Scheduled speakers in addition to Pastor Record are Otis Read of Maryland, John Hilker of Minnesota, George Southwick of California, Fanny Nevers and Robert McCormick both of Texas.

Pastor Delbert Clayton of Dallas had planned to attend but had a heart attack and has had heart surgery. Please pray for his continued recovery.

I will not be able to attend as I will be leaving for Washington, D.C. at that time.

If you want to stay at the Sea Point Hotel, you should write or call them for reservations soon.

**MANY ASK ABOUT IDENTITY MINISTERS,** wishing there were more so new churches could be started.

We will try to help in this way: Write and tell me about men who may be qualified to be I.D. ministers or who are ministers with no congregation. Perhaps in time we can recommend qualified men to Identity Christian groups.

**COME TO OUR JULY CHRISTIAN IDENTITY FAMILY RETREAT** in New Mexico. We start on July 2nd, end at noon on July 8th.

If you did not receive our information sheet and reservation coupon, write and ask for it. We will have 20 or more ministers and teachers with 4 to 6 class periods each day plus evening worship services.

### **WANT TO DO SOMETHING FOR AMERICA?**

We sent Ty Hardin's columns to our whole mail list, asking them to go to local weekly papers to see if they would carry them. **We heard back from less than 10 people who had actually taken the time to try to get Hardin's columns in a paper!** Not a very good number considering that thousands write us over a period of

weeks to state their "concern for America!" Are they "Concerned" only if it doesn't cost them money or take any time?

**LETTERS TO THE EDITOR:** The most economical method of reaching your neighbors with bits of truth is through letters to the editor of your local newspaper.

You can complain to others verbally, you can even write long letters to other Patriots, and very few will know what you are saying. However, write down those same words and send it to the editor and not only will he print thousands of copies, he will distribute them for you!

If you cannot write at all, copy a thought out of a Patriotic article, sign your name to it and send it in to the paper.

Many are already doing this. Newspapers all over the country are now printing letters to the editor on subjects they were afraid to cover before. Try it!

**FORECLOSURES ARE REACHING THE RATES OF THE 1930'S.** Farmers are being especially hard hit with both Banks and the FHmA refusing to renew their loans, taking them into foreclosure instead. Many on our mail list are ordering our money cartoon packet, having one or more of the cartoons reprinted locally and passing them out at farm auctions. We'll send you a packet if you write and ask for it.

**Others have run our ad from SPOTLIGHT in their local newspapers.** Thousands of our Billion\$ for the Banker\$ are being distributed that way.

**SOME ARE LEARNING OF THE POWER OF THE SHERIFF:** Sheriff James A. Traficant of Mahoning County in Ohio was reported in the Youngstown paper to have refused to sign the foreclosure papers on houses where the owner had been forced to move. He said people were losing too many houses. Judge Charles Bannon charged him with "contempt of court" and sentenced him to 100 days in jail! The judge was in the wrong, but our people know so little of the common law they do not realize that a sheriff has the power to do such things.

The quickest way I know for you to learn and teach your neighbors how the people as a whole can protect themselves from tyrannical government is to get the 58 minute TV cassette from Red Beckman on your 3 votes: elections, the grand jury, and the jury. Most Americans do not know that if they get on a grand jury they can indict anyone for criminal acts. In 1982 a grand jury in Utah indicted the Federal Reserve Board for criminal acts.

The State Attorney General is trying to quash the indictment, but he really has no legal power to do so. **The grand jury, made up of citizens just like you, has more power than the Attorney General.**

For Red Beckman's TV cassette, send \$50 to 2711 N. Frontage Rd. R#5, Billings, MT 59101. Indicate the type of machine you have - VHS or Beta.

**A WARNING OF SMEARS:** A professing Identity group on the Missouri-Arkansas border calling itself

The Covenant, Sword and Arm of the Lord (CSA) has been very radical in its statements, has openly boasted of its weapons, food storage, etc. The news media gave them much coverage, shot a lot of TV footage of them, then ran a television special in St. Louis about them, painting them as "dangerous," "killers," "right-wing radicals," etc. Large ads promoting the TV program were run in the St. Louis and other Missouri papers. At the same time left-wing legislators introduced a bill in Missouri to "ban" paramilitary training and provide penalties for anyone who instructs others in the use of weapons or explosives with the knowledge such weapons or explosives might be used in creating disorder, etc., etc.

This is a classic example of "forced legislation!" The CFR news media startles and frightens the citizens and the lawmakers with massive publicity about some phony danger. Then a left-winger in the law-making body comes forth with "the solution," a "new law to take care of this grave danger to our society." Most legislators, not understanding how they have been manipulated, vote for the law. It may be years before some of those legislators realize they voted for a law which will be used to harass and possibly imprison Patriotic Americans while the **left-wing terrorists, including the JDL**, go right on with their disruption of our nation.

By this method those who control the news media actually run our country, causing laws to be passed and enforced, not with logical arguments to the people or to the Legislature, but with smears and sensation on TV and in the Press! We are literally a nation run and controlled by those who own and control the news media.

**USE THE RIGHT WORDS:** As above, don't just say, "News media," say, "CFR news media." With all the publicity on the CFR going around the country, many will know what you mean and be reminded it is not the people's news media, the news media belongs to the CFR.

Remember the others I told you about. Add "minority" whenever you use White Race or Christians. Don't say, "The White Race," say, "The minority White Race." And always call the Bible the "Christian Bible."

**DON'T BLAME ME FOR THE BAD NEWS.** I do get some mail criticizing me for putting anything other than "Bible teaching" in my newsletters. They say some of the other Identity ministers print up only studies on the Kingdom, Christian living, etc., and leave all that "bad news" to the "devil," and Emry should do the same.

Well, if my newsletter were the only "preaching" I did, the criticism might be valid. However, I do a 30-minute radio broadcast every week and a church sermon most weeks in which I use the Bible to explain both the good news of the kingdom and some of the bad news of this present world. It is not as if I were not teaching the Bible at all.

In addition, my newsletter is a way of passing on

some of the month by month doings and happenings in the real world in which we live. Sometimes, as some of the articles above, it is a word of wisdom and a word of warning about the wolves who live among us, not all of whom are in the forest or in church pulpits.

**AND HERE ARE SOME LITERATURE RECOMMENDATIONS:** You all should have gotten our literature list in the last mailing. For you new folks who don't quite know where to begin, here are my suggestions:

For those who have not yet studied out our Identity as Israelites:

Publication	Offering
102 PAUL AND JOSEPH OF ARIMATHEA.....	\$1.00
306 TRACING OUR WHITE ANCESTORS.....	4.00
315 JUDAH'S SCEPTRE.....	8.00

For those who have not yet studied out the true Identity of those who call themselves "Jews":

106 THE OLD JERUSALEM.....	\$1.00
208 AN OPEN LETTER TO MINISTERS.....	0.35
563 EXPLODING THE CHOSEN PEOPLE MYTH.	0.50

For those who need a study of God's Law:

206 GOD'S BIBLE LAW ON MILITARY.....	\$0.50
216 BIBLE LAW ON MONEY.....	0.50
391 TO HEAL THE NATION.....	4.00
393 BLUE LAW INDEX.....	3.00

For those who need a study of money and economic history:

353 LINCOLN MONEY-MARTYRED.....	\$4.00
354 THE MONEY CREATORS.....	5.00

Everything listed above comes to a little over \$30.00 **Do you realize that anyone who read just those items above would know more than most Christian Ministers about money, history and Bible Prophecy?**

**HOW ABOUT THOSE WHO HAVE NOT LISTENED TO TAPES?** If you are satisfied that you have learned all there is to know about the Bible, then don't send for any of the books above or the tapes below. However, if you want to continue your education, then here are my recommendations for what you should hear first:

Code No.	Subject	Code No.	Subject
7604	Hell	7714	Rapture
7801	Usury	7806	New Jerusalem
7816	Repentance	7901	Mind Control
7912	Jesus	8203	Jesus

We need a \$3.00 offering for each tape to cover expenses of the tape ministry.

If you want to receive the sermons and radio broadcasts on tape each week, shortly after they are preached, just write and ask us.

**A LITTLE EDUCATION ON MONEY:** Scores of so-called experts are writing financial newsletters and speaking publicly about our money system. Some even get the ears of the Christian Patriots by seeming to be against the Federal Reserve System, but teach falsehoods which deceive the Patriots who need to know

the truth.

**Here is a short lesson on how to use common sense to spot the phonies.**

A common teaching by some "money-experts" goes like this: "the government was printing money hand over fist" (William Simon in Time for Truth), or "Inflation is caused by the government's continual creation of new money" (Murray Rothbard in Ron Paul's book, Gold, Peace and Prosperity), or as Ron Paul says in the same book, "Congress and the Federal Reserve have generated a flood of paper money..." Paul puts out a monthly newsletter as does F. Tupper Saussy, Gary North and scores of others which repeat and repeat, "The government is printing too much paper money." These men will say, "No wonder the government spends so much, all they have to do is crank up the printing presses." Such statements, **if not examined with intelligence**, are accepted as fact by most Patriots.

Let me answer those claims with the common sense of Abe Austin, an Illinois hardware dealer who knows more about money, or at least has more common sense, than most of the followers of Paul, North, Saussy, et al:

"Anyone with a normal I.Q. can quickly perceive that there is something wrong with such jargon, because it does not jibe with fact. If the government does create and print money, what does it do with it? **If the U.S. Government prints money to pay its obligations - why is the Government getting into greater National Debt?**"

Abe gives the only answer possible, 'If our Government did print Treasury money to finance its obligations as indoctrinated pundits and the deluded money reformers are claiming - the U.S. Government would have no national debt.' I say, "Amen."

Now, after reading that, will you all try to use the common sense God gave you to **examine every claim made by professing "money experts"**? I am beginning to believe that, like in George Orwell's 1984, America's Patriots are being deliberately provided false and lying "leaders" to neutralize them in regard to money. As Abe Austin knows, and Peter Cook knows, and Robert Record knows, and Sheldon Emry knows, America is not suffering from "too much money," America is instead suffering from a "shortage of money." That "shortage" is deliberate and is designed to **force us to borrow Banker's credit and use it as money!** By throwing up the smokescreen of "too much money in circulation," the scores of Judas-goats of Money prevent the Patriots from realizing the true solution to America's money problem is the one Abraham Lincoln used over 100 years ago, and no President has used since, **print interest free and debt free paper money!**

How many of you have even gotten suspicious about the sudden appearance of hundreds of "financial newsletters" in the last 5 years? Especially since every one of them, no matter what other disagreements they might have, all speak with one voice on money, "We must have gold-backed money, paper money is terrible," and on and on and on. And all support Ron Paul's "gold bill" and Gonzalez' bill to transfer the functions
