THANK YOU - CUBA'S PRIESTS - SOVIET/JEWISH ACCORD?

I have seen also in the prophets of Jerusalem an horrible thing: they commit adultery, and walk in lies; they strengthen also the hands of the evildoers, that none doth return from his wickedness. (Jer. 23:14)

FIRST THINGS FIRST: A BIG THANK YOU TO ALL OUR SUPPORTERS. Most of the personal letters to me get read but not answered. We do send you the literature or tapes you request, and a "thank you" with our receipt letters. However, I probably do not elaborate enough on the very real gratitude the staff and church group here have toward all of you folks in the U.S. and other Israel nations who make our ministry possible with your generous support. We could do only a small part of what we are doing if it were not for the faithful and continuing money gifts of thousands of God's Israel People.

Therefore, even if I do not repeatedly acknowledge your gifts and your prayers, remember that everytime we send out a free packet of literature, everytime AMERICA'S PROMISE is heard on radio, everytime we send out a newsletter and mailing, it is because of your unfailing support of our ministry and we do appreciate it!

Just take this "Thank you" to heart and know we would tell you personally if we had the opportunity. All of our staff people are Christian Identity believers and have dedicated themselves to the ministry of reconciliation with Israel's Redeemer and they praise God that through your prayers and your support they can work for you and for Christ in God's vineyard. May the God of Jacob bless and prosper each and every one of you, in Christ, is the prayer of Pastor Emry and AMERICA'S PROMISE staff.

AFTER THOSE WORDS, OUR ONE MAJOR PROBLEM: That is the delay in getting our material back to you when you request it. I mentioned in a previous newsletter that we, surprisingly, get only one letter out of one thousand that is critical of me or of the ministry on the basis of doctrine or related subjects. Those we tend to ignore as there is little we can do about them.

However, there is another type of critical letter which bothers us. That is the one that complains about delays in getting material from us. Therefore, with this newsletter I am sending a separate personal letter to you which will explain the mail problem and give you

some suggestions on how you can help us get literature back to you more quickly. (And hopefully end the complaints!).

No matter what we do, there will be some delay in getting literature back to you because of delays in Post Office handling. However, if you will read the enclosed letter and follow our suggestions in it, it may save one to several days of time for most of the mail.

TO THOSE ON THE WEEKLY TAPE MINISTRY:

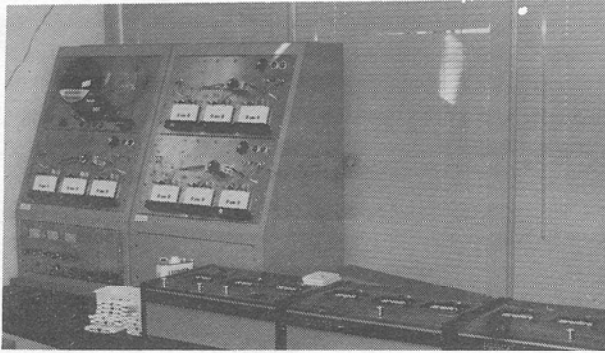

We have been 2 to 4 weeks behind on the weekly tapes, partially because of the staff being used to catch up on mail. We did hire two "Kelly girls" to help the mail staff until they caught up. Now, we've added another full-time person to our staff.

To give you some idea of the tape ministry, below is a photo of one set of tapes ready for putting in envelopes for mailing and a photo of our cassette duplicating equipment. We are now making and sending out about 100,000 cassette tapes each year, about 2/3rds of them free to the weekly tape ministry.

In addition, we estimate 100,000 AMERICA'S PROMISE tapes are out there "in circulation." If you've paid for tapes which are not being used, get them lent out or whatever. They should be heard.

On the next page, the Telex console makes nine C-90 cassettes (both sides) in 6 minutes. The Wollensaks at the bottom right make eight C-90 cassettes in 3 minutes. One person can make over 1,000 a day including handling and labelling.

IF YOU WERE ON OUR TAPE MINISTRY, YOU WOULD KNOW WHY AMERICAN CHURCHES DO NOT OPPOSE ANTI-CHRISTS AND COMMUNISTS.

Almost all American and European ministers and priests are either pro-communist or "neutral" toward communism. Deep down, every Christian Patriot realizes that, but he thinks (or hopes) most are just ignorant and many Christian Patriots spend years and years trying to "awaken" ministers. Almost none succeed.

May I suggest you are wasting your time?
Let me tell you a little story.

About twenty years ago an American who had spent 3 years in a Cuban (Castro) prison told me that while he was in jail there, the Cuban prisoners told him there was one thing that had shocked them more about the Communist takeover than even the brutality of the Communists. They first realized that as the Communists consolidated their power, they were not opposed by the Catholic Priests. Then one by one the Catholic Priests began to announce publicly, "I have been on the side of the revolution for many years!" In other words, they had been secret communists all along!

The Cubans told him that almost every Catholic Priest in Cuba turned out to be a communist! They hadn't suspected it, they didn't want to believe it, but by 1962 it was a fact known by every anti-communist in Cuba.

They finally understood why the religious leaders had not previously exposed or opposed the Communists, but the knowledge did them little good, for by then, all active anti-communists had been arrested, thousands had been tortured or killed, and the rest were in prisons. Cuba learned **its churches had been taken over by the Communists a generation before Communists took over Cuba!**

What about America? Are members of The National Council of Churches and the Catholic Bishops Council the **ONLY** pro-communists in the pulpits of America? Probably not. Remember, there are over 300,000 ordained ministers in America, and like Cuba before the communist takeover, no more than a few score effectively expose or oppose the anti-christ communists. The rest preach doctrines which cause the **Communists no trouble!** There has to be a reason. Will American Patriots learn the sad truth **after it is too late to do anything about it?**

If you were on my tape ministry, you would have heard my last series titled "Is God in Bethel?" in which I showed **from the books of the Prophets** that God said the end-time Israel churches would be of **no help to our Israel people in the last battle.** God's Word further prophesies that Israel's churches would **belong to the enemies of Israel!**

Has it already come to pass? Is that why less than 1 minister out of 10,000 opposes the Communist enemy even at this late date?

By the way, that American's story about the Cuban priests has been verified by many others since 1962. He was telling the truth.

TO WHOM DO YOU GIVE YOUR TITHE? I hadn't planned to make a statement on tithing in this issue, but after saying the above, if you can grasp the enormity of the probable Communist infiltration into American religion, you will realize that 99% of the American Christian's tithe money is going to churches which are smoothing the way for our enemies. Every Christian Patriot is responsible for what he does with God's money. What about your tithes?

This is not a pitch for offerings to **AMERICA'S PROMISE.** However, I do urge that you give money **ONLY** to ministries that teach the following:

1. We are Israelites.
2. The Jews are Esau-Edomites.
3. God's Law is still in effect.
4. Our money system is unscriptural.
5. The "pre-tribulation rapture" is false.

Those truths help America-Israel. Any minister who opposes those truths is aiding true Israel's enemies whether he knows it or not, and no Identity Christian should support him or his church in any way.

WE'VE FINISHED OUR 1983 MISSION TO CONGRESS. We spent 2 weeks in April in D.C. and presented our Bible Law Index (a new one in an attractive 3-ring binder with a painting of Moses and the Ten Commandments on the front) to 250 offices.

We used the Congressional resolution on the Bible as our introduction, reminding them that although in past years we told them we believed they should use the Bible, that now their own resolution said the same thing. It worked very well. God willing, I will give a more complete report on the meetings, responses and results in church sermons, on the radio and in the June newsletter.

Meanwhile, give your Minister or State Legislator the book we gave Congressmen with the sermons preached to Congress in 1857. It is #399 **THE U.S.A. IN BIBLE PROPHECY**, one copy for a \$2.00 offering or 10 copies for \$15.00. Give them these 125 year old sermons which call the U.S.A., "Israel restored."

WHY DON'T I.D. MINISTERS GO TO LEGISLATORS? Frankly, I don't know. Here is a quote from Focus on Freedom:

"The best of Satan's henchmen, the most devious of the devil's lieutenants gravitate to the source of earthly power, the legislative halls of America. Is it not

natural they would do so? Question is, where then are the Christian leaders, where are the soldiers of God? I can tell you where they are not, they are not where the battles should be fought, they are not grappling for the souls of the Legislators."

I can verify that. Most of the I.D. ministers who cry the loudest against government have never once rebuked a legislator personally as we do each year. God sent His prophets to the kings, princes and elders in Israel, not just to the people, yet most I.D. ministers go only to the people. That is NOT scriptural. Since most refuse to go, some of you laymen will have to do what should be done in your State.

DISTRIBUTE PUBLIC LAW 97-280. My suggestion in March that you distribute that one-sheet reprint brought results! We have reprinted 50,000, and more requests are coming in. Use it with my comments on it to oppose anti-Bible activity in your school or community. An offering of \$3 for 100 copies will pay our printing and mail costs.

ATHEISTS, PROTESTANT MINISTERS AND RABBIS SUE REAGAN in an attempt to force a court to declare the resolution proclaiming 1983 as "The Year of the Bible" unconstitutional. They especially resent that the resolution states the Bible is "the Word of God." For more information, write National Committee for The Year of the Bible, Suite 314-H, 3501 N MacArthur Blvd., Irving, TX 75062. Use the term "Christian Bible" in your letters.

CHRISTIANS STILL BEING JAILED. At the very time Congress and the President make public pronouncements that the American people can be strengthened by reading and applying the Bible, some city and State courts are jailing ministers for establishing church schools! In Louisville, Neb., several parents have been sent to jail for "contempt of court" for sending their children to a church school instead of the public school. Their Pastor has already been in jail twice.

The 5th Circuit Court of Appeals upheld a Lubbock, Texas court decision that high school students could not meet on school property for religious activities. They can meet for any other purpose, but not to read the Christian Bible! All of this in "The Year of the Bible."

THE BATTLE WILL BE OVER THE CHRISTIAN BIBLE. Praise God we are getting down to basics. All Americans will be forced to choose the side of Jesus Christ and the Christian Bible (the Word of God) or the side of the anti-Christians and their anti-Christian teachings. "For thou hast magnified thy Word above all thy name." (Psalm 138:2.)

IDENTITY CHRISTIANS WILL BE IN THE BATTLE WHETHER THEY WANT TO BE OR NOT. Secret Service agents investigating Patriots have been observed with computer printouts of Identity Christians! Christians should give absolutely no information

to U.S. agents conducting unconstitutional (illegal) investigations of Christian Patriots. Jesus said, "He that is not with Me is against Me." (Luke 11:23.) These men and their bosses are not Christians.

There are firm indications that enemies in the U.S. government intend to "crack-down" on Identity Christians, possibly even railroading leaders into prison or causing "accidents." The enemies of Christ are getting afraid of the Christian-Identity Movement. We need to pray for wisdom and protection for each other.

THE OTHER SIDE. Jewry Falwell is preparing American Christians to accept more Jewish aggressive invasions in the Mideast on his false interpretation of prophecy. Below was in the Knoxville News-Sentinel, Feb. 8, 1983:

Be Nice to Israel God's Wish, Falwell Contends

TYLER, Texas (UPI) — If America wants to continue being blessed by the Lord, the Rev. Jerry Falwell recommends good relations be kept with Israel.

"God deals with nations in relation to how nations deal with Israel," Falwell said. "I believe God blesses America and has blessed America because we have blessed Abraham and have blessed the Jews.

"I think if America, for example, turned against Israel, our value to God would cease to be. We are important to God only if we meet his priorities on this Earth."

In a copyright interview in Sunday's Tyler Courier-Times Telegraph, Falwell told the newspaper, "Begin shares the biblical view of the promised land" which predicts Israel eventually will have boundaries on the Euphrates and Nile Rivers and will include portions of Iraq, Syria, Turkey, Saudi Arabia, Egypt, the Sudan, Lebanon, Jordan and Kuwait.

Begin said Israel was not aggressively trying to take the land, Falwell said in the interview. "All he is doing is preserving that which has been delivered to them."

JEWISH-SOVIET AGREEMENT? Professor Moshe Maos, an Israeli foreign policy specialist, recently stated in Jerusalem: "Israel is joining with Syria and with the Soviet Union, Syria's principle ally and military supplier, in forming a rejectionist front against America in the Middle East."

Also, columnist Jack Anderson wrote way back on Oct. 6, 1982, "A possible Soviet-Israeli rapprochement has been discussed at the highest levels in Moscow and Jerusalem." Writing of Israeli (Jewish) leaders, Anderson said, "They see it (agreement with the USSR) as a chance to show their independence of the United States and eventually to play off one superpower against the other to Israel's advantage. Chief among these Israeli leaders is Foreign Minister Yitzhak Shamir."

If Anderson is right, it only proves what Identity Christians have long known, that Jews have no real love of nor allegiance to the U.S. at all. Their allegiance is only to themselves and they will betray America if it is any advantage to the Jews. They will certainly side with the Soviets against America. However, if this should become known, Falwell and others will say, "It was prophesied in the Bible and the rapture must be near!" Read Luke 11:23 again.
